

GRUET

2010 Grand Rosé

Our Gruet Grand Rose is made by blending our select Chardonnay, free-run juice with our best barrel-aged Pinot Noir. This sparkling wine is one of our most complex and highly sot after sparkling wines. A collector's must-have. The Grand Rosé is very limited in production is usually under 300 cases for each vintage. A world class wine, this brut style vintage rosé stands with some of the great rosés from Champagne.

Aged for a minimum of four years.

WINEMAKER NOTES

The Grand Rosé offers the best of both worlds: it has delicate aromas of cassis and hazelnut, and flavors of cherry, and a hint of rose petals on the back palate. The texture is pure, creamy Chardonnay with an ultra-fine mousse and very rich. This wine perfectly balances freshness and desirable qualities found in expertly aged sparkling wines. Great complexity and a long, very crisp finish. Lifetime expectancy of 10 years.
