

GRUET

Rosé of Pinot Noir

2017

Gruet Winery was founded on the vision and passion of French winemaker and patriarch, Gilbert Gruet. World-class winemaker, Laurent Gruet, embraced his father, Gilbert Gruet's legacy and has been producing outstanding sparkling and still wines in New Mexico for over 25 years.

Our Rose of 100% Pinot Noir is proudly grown and produced in New Mexico. A portion of the fruit was sourced from our Tamaya Vineyard, a joint project with the Pueblo of Santa Ana.

TASTING NOTE

Produced in the style of the great rosés of Provence, France, this wine features aromas and flavors of strawberries and cherries with a touch of honeysuckle and rose petals. Well balanced with very good minerality. Perfect to pair with salads, seafood and sunny days.

This is an easy drinking and refreshing wine that will quickly become your house pour for the warm weather months ahead.
